

## **William “Billy” R Smith**

**08/14/1969 to 07/15/2024**

It is with honor we give tribute to the life of Billy Smith. Billy came back home to continue his career with S.W. Rodgers in 2002 as a dump truck driver. Billy was humble, kind, and always ready with a witty joke. He was skilled at his job, knew the regulations of his craft and was an excellent trainer for our new drivers. He was routinely dependable at performing his job duties, and truly a pleasure to work with. He helped the driver trainees understand the importance of our company policy, a driver's responsibilities and most importantly "Safety First." Billy was so consistent with demonstrating excellent safety practices that he was honored with the Heavy Construction Contractors Association (HCCA) "2016 Safe Employee" award, an industry award given to an elite group of people for demonstrating exemplary efforts to promote safety. He will be remembered for his acts of kindness toward others, his work ethic, and the friendships he built throughout the company during his career. We are proud to have him as a part of our team and will miss him dearly. Our thoughts and prayers are with his family as they go through this challenging time.

Services will be held on Saturday, July 20, 2024. Visitation will begin at 3pm, followed by his service at 4pm.
